

*My adventure  
in Australia*

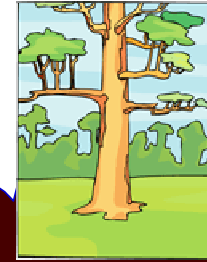

*One day,  
when I was on holidays  
in Australia.  
With the ranger we visited  
the marshes, I saw a  
crocodile. It went out of  
the river, it ran after a  
kookaburra.*

*I can't believe. I saw that !! It  
was fun!*

*I couldn't take a photo because  
it was dangerous.*

*Can you imagine the situation ?*

*When suddenly,  
I heard bang !!!  
the crocodile hit the big tree, it  
was dizzy the ranger went to  
see the crocodile.  
It had broken twelve teeth.  
after that the crocodile went  
back in the river.*
