

# the crocodile

Do you want to know what I saw on a beach of Sydney?? Yes ?

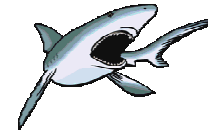

I was walking on a beach of Sydney when I heard a big bang !

And a young beautiful woman, who was a French lifesaver

was looking at a strong , nasty, huge , nervous crocodile

which was fighting with a big , calm and gentle white shark .

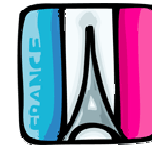

The young lifesaver was saying : "Oh no, nasty crocodile , you must stop , if you don't , I will kill you!"

But the crocodile didn't know what she said

he attacked her and she was very scared

She left Sydney and went back to France .
