

Good bye, my Love!
Go straight to your
Granny's house and don't
speak to strangers!

My mother is always
afraid of everything!
I think I can take some
flowers for Granny...

And
mushrooms...

And flowers... The
weather is sunny
and warm....

Hello, young
girl!

Oh! Who
is it?

I'm a
friend...Where
are you going?

I'm walking to
my Granny's
house.

You're a very nice
girl... Where is your
Granny's house?

Go straight on.
Turn left. Turn
right...

Thank you
!

This little girl
will be my
dessert!

And Granny is going
to be my starters
and my main course!

Help! I feel
terrible, tired,
and nauseous!

I feel
great...but I'm
hungry!

Oh, no!
Help !!!!!!!

Oh, Granny! You've got very big eyes today!
All the better to see you, my Love!
Oh, Granny! You've got a big nose!
All the better to smell you, my Dear!
Oh, Granny! You've got hairs on your face!
It's to be hotter, my Child!
Oh, Granny! You've got long ears!
All the better to hear you, my
dessert....Oops...my Lass!
Oh, Granny! You've got big teeth!
All the better to EAT YOU!
AAAAAAAAAAAAHHHH

Granny! How
are you? Can I
come in?
