

## THE SNAKE TERROR !

One day I went in the forest at three o'clock in the afternoon. I was taking photos. Suddenly I saw a snake and I absolutely wanted to take a photo of the snake. I was excited ! I was preparing my camera and then a big green snake attacked me! I was trying to escape but the snake was very nasty and aggressive. I whistled and the snake went away because it was afraid. I took my things and I went to my car. That was fun !
