

## **The Wallaby**

I'm a tourist !!  
I love  
Wallabies !!

Hello, My name  
is Snoopy !

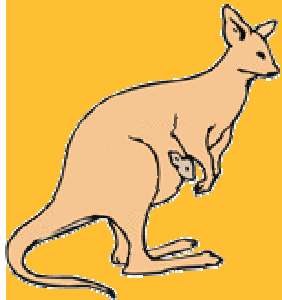

That morning, a tourist invited me to the Natural Zoo . I accepted the invitation because I love animals. I visited the Natural Zoo , I liked one animal very much : it was a wallaby. I've already got a wallaby in my house. I was looking at the wallaby and I said : "Wow ! It's very beautiful !" but the tourist said : "Beurk, the wallaby is very very and very UGLY !!!".

I hated the tourist. I got out of the zoo quietly. I went to my house and I kissed my wallaby. The next morning, I bought another wallaby, and his name is Snoopy and my first wallaby's name is Krackers!

I'm very happy because I have two Wallabies and I may buy a third wallaby !

Hi !  
My name is  
Krackers !

Where is the  
Natural Zoo ?
