

**DEBATE :
Fashion
Contributes
to Society**

mise en page
A. Pihuit Imbert

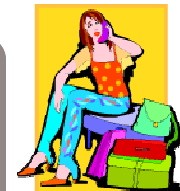

3-jewelry

4-odd style

5-make-up

7.Fashion followers are mercilessly exploited.

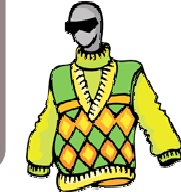

7- exploited

8-vain

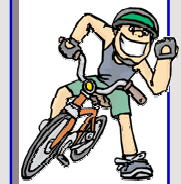

8.People are so vain that they are afraid of being seen in old-fashioned clothes.

6.Fashion goes like this: one year, one thing, next year, the reverse.

12-warm pullover

13.In order to follow fashions, people have to put up with great discomfort, such as suffering from cold in winter.

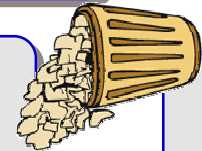

14- confidence

14.One's confidence does not grow from the way one is dressed, but from the inner qualities one possesses .

4.People often look odd with the so-called fashionable hairstyles, make-up and dresses.

5.Most men don't care for excessive make-up often over used by many women.

11.Changing fashions is a deliberate creation of waste because one will have to discard a lot of clothes in order to follow fashions.

11-waste

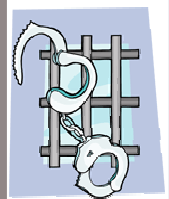

12.Fashion designers are not interested in important things like warmth, comfort, and durability of clothes. They are only interested in outward appearance and profits.

12-warm pullover

10.People, especially fashion followers, are blackmailed by fashion designers and stores.

10- blackmailed

9.We must bear this in mind: Don't judge a person by their appearance.

15.The fashion industry features very slim women as models for their clothes. Thus many young women suffer from many forms of eating disorders trying to imitate these skinny models. This causes a lot of health problems and even some deaths from these disorders.

15- skinny

16.In order to follow fashions, people waste a lot of money.

16-waste money

17.Fashion causes poor people to be looked down upon without fashionable clothes.
