TWILIGHT is a love story between a *teenage girl* and a *vampire*. Bella Swan has always been different from *trendy* girls at her Phoenix *high school*. When Bella arrives in the *rainy* little town of Forks, she doesn't *expect* much. Then she meets the *mysterious* and *dazzlingly* beautiful Edward Cullen. She's never met a boy like him. Edward is a vampire, but he doesn't have *fangs* and his family is different. They have never drunk human blood. Edward is intelligent and *witty*. He *understands* Bella and they fall in love because Bella is what Edward has waited for 90 years - *a soul mate*. But, Edward must *struggle* to resist the *primal pull* of her *scent*. Her scent is fantastic and drives him so *crazy* that he could kill her if he wasn't *careful*. But a clan of new vampires (James, Laurent and Victoria) arrives in town and *threatens* to kill Bella. What can they do?
